

Safety Fore Kids

24TH ANNUAL GOLF CLASSIC

Silent auction and dinner following the golf classic

What is Safety Fore Kids?

Safety Fore Kids is a program of the Safety and Health Council of Western Missouri and Kansas. For 24 years, we have provided hundreds of families with child passenger safety classes and proper car seat installation. We have expanded our training to include education for anyone interested in pediatric first aid and CPR classes as well as training for babysitters.

In 2018, the Safety and Health Council of Western Missouri and Kansas purchased over 100 car seats, and over 500 in the last two years. This is made possible due to your generosity and participation in the Annual Golf Classic and silent auction every year.

Register as a foursome or as a single.

\$125/single

\$500/team

Single golfers will be matched randomly.
